

# FREE WORKSHOP

# Water Wise Gardening in the Tri Valley

## Saturday April 24 2:00 – 3:30 PM

Dublin Public Library, Community Room  
200 Civic Plaza, Dublin

Learn from experts how to create a beautiful, water-conserving landscape and optimize your irrigation system. You'll save water and lower your water bills.

### Beautify Your Garden with Less Water

*with Susan Friedman, Landscape Architect*

Follow nature's way by selecting native and drought-tolerant plants that will thrive with less water through our long, dry summers, and learn other water saving tips for your garden.

### Watering 101 *with Jim Borneman, Vice-President of Education for Ewing Irrigation Products*

Learn the most efficient ways to water your yard and simple fixes for the most common irrigation mistakes.

### FREE RAFFLE!

You could win a one gallon nursery plant to start your own drought tolerant garden, or a compost bin to efficiently recycle green waste into nourishing, natural fertilizer.
